

Providing Exceptional Filter Solutions with a Commitment to Customer Service

Volume 2, Issue 2

June 2009

We are the official Airguard distributor for Nebraska & Iowa.

We are proud to be members of the following organizations:

Featured Product: Air Filter Change Service

Let us change your filters for you!

In addition to providing our customers with quality air filtration products, we also offer a **turn-key** filter change service to our commercial customers. Our filter change technicians are professional installers. For your protection, our people are covered with liability and workers compensation insurance. The Filter Shop installers are uniformed and present the professional image that our customers demand. When you contract The Filter Shop to provide a filter change service for your business, you can rest assured that the job will be done on time, and on budget. Please request a free air filtration change service quotation.

Meet our Staff:

Grant Wells

Inventory / Warehouse Manager

Grant Wells joined the Filter Shop team in February of 2008 as our Inventory/Warehouse Manager. He has an extensive background in building and managing large distribution centers and managing inventory processes. Grant is happily married to his wife Lisa and has two busy teenagers. He enjoys spending time with his family, walking the dog, doing yard work, fishing and golfing. Grant is responsible for ensuring that our customers get the product they need in a timely manner. We will stock your items for you and ensure you get your product when you need it! Grant has formed some great relationships with many of our manufacturers, which helps ensure you are getting your products when you need them! The Filter Shop is proud to have Grant as part of the team and we thank him for all he has done to improve the overall effectiveness toward serving our customers!
