Please help us in congratulating our very own Ryan Dahlgaard for being a 2008 winner of the "40 under 40" award.

This honorable award goes to entrepreneurs and young professionals in the Omaha area, who are making a difference in their businesses and within the community. As part of the award, there was a bio and photo in the Midlands Business Journal, as well as a breakfast honoring all of the award recipients. Oh, and a shiny plaque with his picture on it!
